1) The pay of the medical graduates - of whom there are 9.- has been fixed at 87-5-100 or an average of Rs. 94 2/3 per mensem. These graduates are very highly qualified men and it is therefore desirable to start them on at least Rs. 100 per mensem - This increases the cost by a sum of Rs. 48 per mensem or Rs. 576 per annum. The increase is very small & the fixing of the pay of these graduates at Rs. 100 may be appd. A draft is putup.
